The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website.

4 The Rationalisation Of Housework

The idea of asking serious questions about housework seemed unthinkable. Until about 1970, only the amusing and provocative American piece by Pat Mainardi, *The Politics of Housework* circulated within the women's movement, even raised the issue. 1 She ends with her husband saying: "Housework? Oh my God, how trivial can you get.

The Rationalisation of Housework | SpringerLink

Women's time in housework declined throughout the 1965-2010 period, with the most sizable declines between 1965 and 1985. Men's housework time more than doubled between 1965 and 1998/9, when it reached a high of 11 hours per week, and then dropped to 10 hours a week by 2009/10. 2 In 2009/10, women are estimated to do 1.6 times the amount of housework as men, on average (with wives ...

Housework: Who Did, Does or Will Do It, and How Much Does ...

The idea of a "rationalization of housework", which originated in the USA,5 began to receive attention in Germany in the early 1920s and, in the context of the Weimar discourse on the "rationalization" of broad segments of society and the economy,6 rapidly gained in popularity.7 What was being propagated here was no longer the pre-war model of the

SOCIAL RATIONALIZATION OF LIVING AND HOUSEWORK IN GERMANY AND THE UNITED STATES IN THE 1920s ADELHEID VON SALDERN ABSTRACT: Because the idea of economic rationalization found its strongest pro moters in the US and Germany during the 1920s, it makes sense to compare the two countries and to ask how the idea of economic rationalization was transferred into other areas of society, such as the private sphere of families and their homes.

Social rationalization of living and housework in Germany ...

Adopted as a framing device for a series of non-representational practices, housework points to architecture as process rather than project, involving "work" in at least three different registers:...

(PDF) The critical potential of housework

housework regardless of a woman's employment supports the gender per- spective that our daily activities reflect and reinforce normative expectations of masculine and feminine behavior (West and Zimmerman 1987).

chapter four The Politics of Housework

The Wages for Housework movement worked to show that the boundaries between work and family are a patriarchal construct perpetuated in the service of capitalism: by naming part of what happens in the family as work, the demand for wages challenges the division between work as a site of exploitation and the family as a "freely invented site of authentic and purely voluntary relations." 79 Additionally, the Wages for Housework movement demonstrated that time outside of productive labor can ...

Lindsay Weinberg, "The Rationalization of Leisure: Marxist ...

The three scenarios given to each respondent were selected from a battery of scenarios generated by varying five factors ("dimensions") which are likely to impact on people's satisfaction with housework arrangements: (1) the share of housework done by the respondent; (2) the hours of paid work of respondents and partners; (3) the hourly earnings of respondents and partners; (4) the presence and age of children in the home; and (5) whether the household employs paid help (in the form of a ...

Housework share between partners: Experimental evidence on ...

So, what's the beef with doing half the housework if you're married? Three things, with the third being the most important by far. 1) Back in the days when most women actually thought they needed to do something to show a man they were marriage material, they went out of their way to let men know they were ready to do the housework. In other words, what used to be a perk for men getting ...

The "My Husband Won't Do Half the Housework" Fallacy ...

In other words, even when men made less money, the expectations of housework placed on them didn't change. And naturally, this creates a double-standard. As the authors explain: "When women are either lower-earning or feminine, they are penalized in the sense that they are expected do more chores and childcare tasks than they otherwise would.

Women are literally expected to do all the chores ...

1. as women have fewer employment opportunities, their opportunity cost of doing housework relative to men has fallen. 2. as women have more employment opportunities, their opportunity cost of doing housework relative to men has risen.

Economics Flashcards | Quizlet

Like housework, these negotiations can lead to assessments of fairness that influence relationship quality. However, this topic has received less attention than housework, despite a strong association between financial issues and relationship outcomes [4, 15, 16].

Gendered perceptions of fairness in housework and shared ...

"HOUSEWORK MADE EASY": THE TAYLORIZED HOUSEWIFE IN WEIMAR GERMANY'S RATIONALIZED ECONOMY MARY NOLAN. The concept of "rationalization" permeated the economic, political, and cultural debates of Weimar Germany. The term was a slogan for productivity and efficiency, for science and prosperity, for ill-defined visions of modernity, more broadly.

"Housework Made Easy": The Taylorized Housewife in Weimar ...

These included suitable tools, rational study of movements and timing of tasks. Scientific standards for housework were derived from scientific standards for workshops, intended to streamline the work of a housewife with or without the help of a cleaning woman. Bernège saw herself as an heiress of Xenophon, René Descartes and Taylor.

Table 2 shows that, on average, Canada has the most egalitarian division of housework (3.70), while Japan has the most traditional division of housework (4.49). Since a score of 3 indicates an equal division of housework, even in the most egalitarian country, women do more house- work than their husbands.

Macro-Level Gender Inequality and the Division of ...

In sociology, rationalization (or rationalisation) is the replacement of traditions, values, and emotions as motivators for behavior in society with concepts based on rationality and reason.For example, the implementation of bureaucracies in government is a kind of rationalization, as is the construction of high-efficiency living spaces in architecture and urban planning.

Rationalization (sociology) - Wikipedia

4 Of course housework time is also a function of the housework demands of a specific household, i.e., number of household members and the size of the dwelling (see also footnote 5). Since the measure of housework that is used in this paper specifically does not include child care, I discuss parenthood in the
