Approach ...

Approach is the will of intuitive storytelling. It is where the rubber meets the road. This is where the story lands and becomes manifest. Without approach, there is silence and only musings. Only someone alone thinking about a story. No sharing, no relationship – nothing. And an intuitive story must be told.

This 3rd edition of Accounting: A Practical Approach continues to
provide an easy to read, practical introduction to accounting
concepts. The many worked examples and illustrations put the
theory into context. Students can then apply their knowledge
with a wide variety of self test questions.
