Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

### And I Mean It Stanley

My dad bought me "And I Mean It, Stanley" when I was a child. It's an adorable story about imagination and the relationship of a young child with her (his?) pet. The language is taunting in an affectionate way which makes reading this book to a young child so much fun. We chose this book to buy for my child's birthday.
