The cognitive benefits of being biracial may stem from navigating multiple identities, but some researchers argue that multiracial people enjoy innate benefits as well—most notably, and perhaps ...

The Biracial Advantage | Psychology Today

The growing number of biracial Americans could, in theory, lead to a less prejudiced society. But new research suggests that these Americans aren't so much shattering stereotypes as finding themselves pigeonholed with new ones. "A lot of stereotypes of black-white biracial people were completely different from the ones people have about white people and black people," reports Northwestern ...

Biracial Americans Are Facing Unique Stereotypes, a New ...

Multiracial students can find it difficult to find programs equipped to deal with the duality of their identity. A study by Johns Hopkins University Press found that biracial college students often found challenges when attempting to access college services related to race.
