9781464126109: Biochemistry - AbeBooks - Berg, Jeremy M ...

Even though Lehninger is great as an introductory book, Stryer is, in my opinion, the book to read if you want to learn biochemistry as a discipline which should be viewed as an exciting excursion into human metabolism and life. Review of new edition (Berg, Tymockzo): I had written a favourable review earlier for a previous edition of Stryer.
