This book examines the role of the bunyip in Australian folklore from the first European settlers to the present time. The bunyip was important in Aboriginal mythology and the origins of the word are discussed. One chapter is devoted to Australian literature and the portrayal of bunyips. There are also extracts from Australian stories.

Bunyips : Australia's Folklore of Fear | AustLit: Discover ...

Folklore is filled with tales of man-eating beasts and Australia is no exception, home to the dreaded Bunyip. From the first interactions between Indigenous Australian and Europeans, the stories of the billabong dwelling creature captured the attention of the colonialists. But the exact details of the Bunyip are rather blurry.

The Bunyip: Australia's Mysterious Man-eating Swamp Beast ...

Bunyip, in Australian Aboriginal folklore, a legendary monster said to inhabit the reedy swamps and lagoons of the interior of Australia. The amphibious animal was variously described as having a round head, an elongated neck, and a body resembling that of an ox, hippopotamus, or manatee; some accounts gave it a human figure.

Bunyip | mythological creature | Britannica

The Bunyip darkened the folklore of Australia's Aboriginal people for centuries before it made its debut in the written records of European settlers, who bought into the legend wholeheartedly. Originally, the monster went by a different name in each indigenous tribe: the Wowee-wowee, the Yaa-loo, the Kianpraty, the Dongu, and more.

Bunyip - Australian Mythical Creature | Mythology.net

The most frequent reports of Bunyip sightings came from the southeastern colonies of Victoria, New South Wales, and South Australia in the 1840s and 1850s. [*] Legend says that a man named Bunyip once broke the Rainbow Serpent's greatest law by eating his totem animal.

18 Facts About The Bunyip, A Cryptic From The Swamps Of ...

It was used by James Ives to describe "a large black animal like a seal, with a terrible voice which creates terror among the blacks." By the 1850s, bunyip was also used as a "synonym for impostor, pretender, humbug and the like" in the broader Australian community.

Bunyip: Australia's Mysterious Amphibian Monster | Monstrum

According to Aboriginal legend, the bloodthirsty bunyip inhabited swamps, riverbeds, billabongs (the stagnant backwaters of a river), and even wells, and lay in wait at night to devour any animal or person lurking nearby — although it was said to have a particular fondness for the sweet flesh of women and children. 1 The legend also held that the bunyip was a very aggressive hairy animal with supernatural powers. 2

Bunyip - Paranormal Encyclopedia

These include kianpraty along the Murrumbidgee, wowie in the Hunter Valley, wee waa in the Narrandera region, as well as many other names. The name bunyip comes from the Wemba-Wemba language of southeastern Australia. It is normally translated today as "devil" or "evil spirit".

Bunyip - Simple English Wikipedia, the free encyclopedia

I have access to two interesting and useful books Bunyips: Australia's Folklore of Fear by Robert Holden (2001) and Bunyips and Billabongs by Charles Fenner (1933) which I will use to further inform this article over the next few days. I have begun by turning the repetitive list into text, in accordance with the changes suggested in July 2009.--
