Evaluating Public Relations: A Best Practice Guide to ...

evaluate a public policy, for example, to help determine whether or not it should be prolonged or to identify its weaknesses so they can be corrected. An evaluation could focus on many aspects; the analytical framework presents a range of possible evaluation questions, from among which those most relevant to the context at hand may be chosen.

A Framework for Analyzing Public Policies: Practical Guide

Evaluating Public Relations Effectiveness
Too many public relations programmes have been eliminated or severely cut back because no “value” could be attached to them. The harsh realities of corporate existence make it necessary for public relations practitioners to demonstrate the worth of what they do.
