How To Grow a Salsa Garden . Growing a themed garden is a lot of fun and brings a bit of creativity to your garden. On a hot summer day, break out the chips and salsa with a pitcher of margaritas for a nice relaxing afternoon. How awesome would it be if all the ingredients for your homemade salsa were grown right in your own organic backyard garden?

How To Grow a Salsa Garden

Buy some seeds, plant what you have space for, and share seeds or extra plants with friends. If starting seeds isn't your thing, go to your local garden center or farm store and buy a few plants of this or that vegetable. Keep a garden journal of the varieties that grow well, or don't grow well, for you.

05 How Does Your Garden Grow?

(Fertilizers can help plants grow better because they replace nutrients in the soil. When plants grow, they remove nutrients. If you grow the same plant in the same place and then harvest and remove the plant year after year, you will use up the soil's nutrients. This happens because the plants take nutrients from the soil through their roots.
