Private Company Management Liability Insurance—This is a form of errors and omissions coverage for a privately-held company. It is designed to cover not only directors and officers, but also managers and employees, when they incur liability while performing their duties for the organization.

Arbitration Clause | Insurance Glossary Definition | IRMI.com

The arbitration clause is often used to reduce high claim costs associated with lengthy trials. By keeping costs at a minimum, insurance companies aren't forced to increase their rates year after year. Arbitration also minimizes the amount of publicity associated with the claim.
