you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide.

### **Maintenance Planning Document**

Maintenance planning documents (MPDs) are provided by aircraft manufacturers to describe the repetitive tasks that are required to maintain their aircraft. Maintenance planning engineers use the MPD information to develop operator maintenance programs (OMPs) that are then submitted to the relevant aviation authority for approval.

### **Maintenance planning documents - IBM**

The Maintenance Planning Document (MPD) contains all the Maintenance Review Board (MRB) requirements, as contained in the Maintenance Review Board Report (MRBR) together with all additional mandatory scheduled maintenance requirements.

## Read PDF Maintenance Planning Document

Whilst the MPD is the document required for the initial aircraft operator's maintenance program it is by no means mandatory to comply in every case with subsequent changes to the MRBR.

### **Where Does the Maintenance Planning Document (MPD) Come ...**

The Maintenance Program (MP) and the Maintenance Planning Document are actually linked each other, in the sense that each MP of each single aircraft, comes from the MPD for that aircraft type. In fact, the MPD (Maintenance Planning Document) is a task-driven document providing the information needed to define the aircraft maintenance program.
