### PEACE, CONFLICT, AND VIOLENCE

In Johan Galtung's 1969 paper, "Violence, Peace and Peace Research," he presents his theory of the Conflict Triangle, a framework used in the study of peace and conflict, with the purpose of defining the three key elements of violence that form this "triangle." The theory is based on the principle that peace must be defined by widely accepted social goals, and that any state of peace is characterized by the absence of violence. When a conflict has features of all three areas of violence, the res
