TRIBE is well-worth reading for pointed socio-political questions it asks about American civic life and for the keen observations it makes about the combat experience. Thankfully, Junger doesn't offer any easy fixes, but on the other hand, he doesn't do much to stir our imaginations about how to cultivate in American civilian life the sort of ...

Fascism (/ ˈ f æ ʃ ɪ z ə m /) is a form of far-right, authoritarian ultranationalism characterized by dictatorial power, forcible suppression of opposition and strong regimentation of society and of the economy which came to prominence in early 20th-century Europe. The first fascist movements emerged in Italy during World War I, before spreading to other European countries.

The Mortal Kombat series of fighting games, created by Ed Boon and John Tobias, has been the subject of various controversies since its creation in 1992. In particular, Mortal Kombat has often been criticised from a broad spectrum of politicians and other critics for its unrestrained use of graphic and bloody violence (both in the game's regular combat scenes and its Fatalities—finishing ...
