We recently hosted a webinar with Indi Young, author, UX consultant, and founding partner at Adaptive Path. Check out the video to hear what Indi had to say about empathy, or read the full transcript of the session below! Transcript Martha: Okay, welcome everyone to the webinar this morning, my name is Martha Andrews, and I'm a marketer here at User Testing.

Practical Empathy: For Collaboration and Creativity in ...

Empathy in Collaboration Empathy is all about walking in the shoes of another person and truly understanding their perspective. We do not often address how each person (and by proxy, organization) might feel about the collaboration, what they fear, what excites them, and what they are wondering about.

The Role of Empathy and Experimentation in Collaboration ...

If your organization is captivated by metrics, empathy will balance out the numbers. Being honest about what you don't know, being interested in the simpler underlying philosophies that make people tick—these characteristics are what can catalyze your creativity and your collaboration. Empathy Is Not What You Might Think
