The Classic Era of American Comics practically omits the earliest days of comics and starts at the end of the Golden Age and at the beginning of the Silver Age. The author does explain how comics began if only briefly. Pictures from the Golden Age are shown that nicely segue into the Silver Age but this is the book's flaw.

The Classic era saw an increase in contact between the rival Maya city-states - some of it good, some of it bad. The Maya had extensive trade networks and traded for prestige items such as obsidian, gold, jade, feathers and more. They also traded for food, salt and mundane items like tools and pottery. The Maya also fought bitterly with one another. Rival city-states would skirmish frequently.
