Technology and the equal opportunity revolution | Virgin

Equal opportunity, also called equality of opportunity, in political theory, the idea that people ought to be able to compete on equal terms, or on a "level playing field," for advantaged offices and positions. Proponents of equal opportunity believe that the principle is compatible with, and indeed may justify, inequalities of outcome of some sort, but there is considerable disagreement over precisely to what degree and what kind of inequalities it justifies and how it does so.

equal opportunity | Definition & Facts | Britannica

It turns out that advancing equal opportunity and economic empowerment is both morally right and good economics, because discrimination, poverty and ignorance restrict growth, while investments in education, infrastructure and scientific and technological research increase it, creating more good jobs and new wealth for all of us.

PowerPoint Presentation

Equal human rights mean we all need to have equal opportunities in life. What is allowed to some must be allowed to everybody else. It is of utmost importance for creating a good society. We already have a lot of equal rights, for example, we have equal purchasing rights on the market, and that is the reason why the market of goods works well.
