The appeal to secularism obscures the fact that critics of the headscarf ruling fall into two broad camps: those defending a particular view of "the French way" of doing things and those defending...

Islamic headscarf debate rekindled in France - BBC News

The Republic of Turkey has been a secular state since the constitutional amendment of 1937. Mustafa Kemal Atatürk introduced the secularization of the state in the Turkish Constitution of 1924, alongside his reforms. Atatürk never forbade the headscarf, but actively discouraged its use in public venues. The headscarf was banned in public institutions because of the 'public clothing regulation' issued after the 1980 coup and began to be implemented in a radical way after the 1997 military ...
