No college degree is required to become an Enlisted Navy SEAL, but the standards of qualification require the kind of mental and physical fortitude that few possess. For those making the cut, immense challenges and constant training are a way of life. Upon joining the Navy, you must:

Elite Navy SEAL Careers | Navy.com
He talks honestly about his problems with Navy training, and how it initially left him unimpressed. His description of BUD/S, and Hell Week specifically is one of the best in writing now, again making clear how hard the training is. He masters it, and comes out on the other end a Navy SEAL. Unfortunately, the book goes downhill a bit after that.
