What to Look for in a Pasta Maker. Electric vs. manual: Electric pasta machines are easier to use than manual ones, but you have to work at the speed of the machine, cutting the pasta to length as its extruded. With hand-cranked machines, you can simply stop cranking if you need to take a break for a phone call or clear more space on your counter.

### Pasta Makers, Pasta Machines & Electric Pasta Machines ...

The last few years have seen a surge of comprehensive texts from dough-obsessed chefs all about pasta, which offer more detail and recipes than a broader cookbook ever could. The best of these books offer more than basic techniques and classic recipes: pasta, they emphasize, is a lens through which to think about food in the broadest possible way.
