**An** And Thrilling

Horror Novel  
The Woods Are Dark was originally published in 1981, and Laymon often stated that this book ruined his career. Not due to his writing, but his publisher, Warner Books, had done such a hack job of editing and removing parts of the tale that he believed the original tale could never be put back together.

THE WOODS ARE DARK

By RICHARD LAYMON  
(Leisure; 1981/2008)

This is the “restored and uncut” version of THE WOODS ARE DARK, the second novel by the late Richard Laymon, and the one he maintained destroyed his career in the U.S.

“The woods are lovely,  
dark and deep”  
emphasizes the  
paradoxical beauty of  
the scene: it is  
“lovely,” the light “l”  
sounds playing on our  
lips, but also “dark and  
deep,” the alliterative  
“d” being stronger,  
dominant. We learn  
that the narrator’s  
present situation is but  
one instant in a busy,  
bustling life.
