Tomorrow's Cthulhu

"The stories found in Tomorrow's Cthulhu are masterful blends of science fiction and the creeping horrors that are familiar to any HP Lovecraft fan. Each tale provides a unique glimpse into the terrors that unsuspecting humans might face in the near future if the Old Gods should wake from their slumber."

Tomorrow's Cthulhu is a Lovecraftian based horror anthology with a techno twist. Most of the stories take place in the future, out in space, or in a world with heightened technology. In some of the tales the horrors have already closed their grip on the world. It was fun to find stories with this type...

Tomorrow's Cthulhu takes genetic modification, technological implants, our first steps toward greater space travel, and asks how all this might look, how humans might look, in a world post-Cthulhu. Tomorrow's Cthulhu: Stories at the Dawn of Posthumanity presents 30 short stories adding to the Cthulhu Mythos, all loosely wrapped around the themes of "posthumanity" and "transhumanism." I was pleased with the diversity of the tales, both in subject matter, styles, and by the broad ...

Cthulhu Stories - Wattpad

Cthulhu is a fictional cosmic entity created by writer H. P. Lovecraft and first introduced in the short story "The Call of Cthulhu", published in the American pulp magazine Weird Tales in 1928. Considered a Great Old One within the pantheon of Lovecraftian cosmic entities, the creature has since been featured in numerous popular culture references. Lovecraft depicts it as a gigantic entity ...

What seemed to be the main document was headed "CTHULHU CULT" in characters painstakingly printed to avoid the erroneous reading of a word so unheard-of. The manuscript was divided into two sections, the first of which was headed "1925—Dream and Dream Work of H. A. Wilcox, 7 Thomas St., Providence, R.I.", and the second, "Narrative ...

"The Call of Cthulhu" by H. P. Lovecraft

This is my criteria, stories count as mythos if they: 1) utilize the Cthulhu Mythos or its elements, or 2) exist in the same universe as the Mythos stories proper, or share continuity with them. This means that stories in this list don't need to be horror, they can be in other genres.

A quick note before I post the story: If you're going to run CoC and your friends haven't played it, start off with the Haunting. It's a well-written adventure that is just great fun. I took the liberty to add things that were lovecraftian-esque(the bleeding chain for example). The other guide to enjoying Call of Cthulhu is atmosphere.
