radiation poisoning from painting watch dials with self-luminous paint. The painting was done by women at three different United States Radium factories, and the term now applies to the women working at the facilities: one in Orange, New Jersey, beginning around 1917; one in Ottawa, Illinois, beginning in the early 1920s; and a third facility in Waterbury, Connecticut. The women in each facility had been told the paint was harmless, and

Radium Girls - Wikipedia

Get pregnant: we often hear about how a pregnant woman just "glows." Well, it's true. Those hormones that give pubescent girls their shine come back in force while you are pregnant. In the early stages of pregnancy many women look more beautiful than they will look at any other time in their lives.
